## SUMMARY

---

Information Technology graduate with real-world experience in data analysis and full-stack development, backed by an internship at TDSS Pvt. Ltd. and certifications from AWS, Oracle, and Deloitte. Skilled in Python, SQL, Power BI, and Tableau for analytics, alongside ReactJS, Node.js, FastAPI, and Spring Boot for building and deploying production-grade applications. Comfortable working across the stack from cleaning datasets to building ML models.

## EDUCATION

---

**Kalinga Institute Of Industrial Technology** 09/2022 – Present | Odisha Bhubaneswar  
*B.Tech In Information Technology*

## PROFESSIONAL EXPERIENCE

---

**Data Analyst Intern** 02/2026 – Present | New Delhi, India  
*Tdss Pvt. Ltd.*

- Collected, cleaned, and organized raw data using Excel, SQL, and Python to support accurate analysis and reporting.
- Created interactive dashboards and KPI reports using Power BI/Tableau to present insights clearly.
- Analyzed customer, sales, and business data to identify trends and support better decision-making.
- Used Python libraries such as Pandas, NumPy, and Matplotlib for data cleaning, visualization, and analysis.
- Improved reporting efficiency by automating repetitive tasks and generating actionable business recommendations.

## PROJECTS

---

**NeXTask AI** [🔗](#) 01/2026

- Built a full-stack task management app using React (Vite) and Node.js/Express with JWT-based authentication and REST API integration
- Deployed frontend on Vercel and backend on Railway, handling cross-origin requests and production environment configuration.

**Customer Churn Analysis & Prediction** 03/2025

- Analyzed 7,000+ telecom customer records using Python (Pandas, Matplotlib, Seaborn) to identify key churn drivers and behavioral patterns
- Built a Logistic Regression model achieving 82% accuracy, delivering actionable retention insights that reduced predicted churn by 15%.

## SKILLS

---

**Languages** — Java, Python, SQL, HTML, JavaScript

**Frameworks** — Spring Boot, FastAPI, ReactJS, Tailwind CSS

**Databases** — MySQL, Redis Tools: Git, Docker, JIRA, VS Code

## CERTIFICATES

---

**UDEMY**  
Aws AI Cloud Practitioner

**ORACLE**  
Certified Foundations Associate

**HACKERRANK**  
Software Engineering Intern

**DELOITTE (FORAGE)**  
Data Analytics Job Simulation

**LINKEDIN**  
Data Science Fundamentals

**Anthropic**  
Claude code in Action
